

LA PRESSE+ FOR IPAD: TECHNICAL SPECS

REDEFINING THE WAY THE NEWS IS DELIVERED, WITH LA PRESSE+

The La Presse+ tablet app offers the most comprehensive news and information experience ever from Québec's largest newsroom. Mobile, interactive and intuitive, La Presse+ presents the news another way, in an environment that blends the best of print, Web, mobile apps and video. It gives users enriched access to La Presse's sections, columns and editorials, along with a multitude of exclusive content, at their fingertips.

Functionalities

- A user-friendly, intuitive and non-intrusive browsing experience;
